EDUCATION

Vellore Institute of Technology, Bhopal <i>Bachelor of Technology in Computer Science and Engineering</i>	Aug 2022 – present CGPA - 8.51
PM Shri KENDRIYA VIDYALAYA NO.1 BARODA <i>Class XII</i>	2022 Percentage - 82%
PM Shri KENDRIYA VIDYALAYA NO.5 AFS BARODA <i>Class X</i>	2020 Percentage - 93.8%

SKILLS

Technical Skills

Languages: HTML/CSS, C++, JavaScript, SQL

Frameworks: Django, React

Developer Tools: Git, VS Code, Visual Studio, Jupyter Notebook, Cygwin, AWS, DevC++

Platforms: Visual Studio Code, DevC++, Cygwin, Jupyter Notebook, AWS

Soft Skills

Problem Solving, Analytical Thinking, Team Collaboration, Communication

PROJECTS

TravelBuddy – Travel Partner Finder / HTML, CSS, JavaScript, Django - Built the frontend interface for a platform that helps students find travel partners when commuting to or from campus. - Designed structured layouts and navigation to make searching for travel companions simple and intuitive. - Implemented interactive elements using JavaScript to enhance the user experience. - Collaborated with backend teammates to connect the interface with the application's functionality.	July 2024
Health Prediction Web Interface / HTML, CSS, JavaScript, Flask - Developed a web interface that allows users to enter health-related information through structured input forms. - Focused on designing clear layouts to improve usability and guide users through the data entry process. - Added form validation and interaction logic using JavaScript. - Worked closely with teammates to integrate the interface with the prediction system.	May 2025
ShopEZ – E-Commerce Website / HTML, CSS, JavaScript, React, MongoDB - Contributed to the frontend development of an e-commerce website for browsing and viewing products. - Designed responsive product display sections and navigation components. - Used basic React components to structure parts of the user interface. - Coordinated with team members to ensure smooth integration between frontend and backend modules.	Aug 2025

ACHIEVEMENTS

- Completed IBM Generative AI Certification through a professional skill development program.
- Actively participated in Data Science Club workshops, gaining exposure to emerging technologies.
- Solved 400+ problems on LeetCode, strengthening problem-solving ability and understanding of data structures and algorithms.
